DU LEADERSHIP INSTITUTE AND AWARDS

For the past five years, every DU chapter across the country has been asked to complete a comprehensive report titled the Chapter Excellence Plan (CEP). This is the major tool used by the International Fraternity to evaluate chapter operations, and to determine the status and quality of the individual chapters. This past year, the Kansas Chapter earned a score of 100.66 percent, not only the highest mark of all 83 chapters, but also the best score ever recorded by a chapter.

Paul Gregory '05, Wes Osbourn '05, Nathan Rosemann '05, Lewis Gregory '75, and Rod Barleen '97 represented the Kansas Chapter in Norfolk, Virginia, at the 2003 Delta Upsilon Leadership Institute and Grand Awards Banquet, July 31-August 3. This group accepted awards on behalf of the chapter for Outstanding Academic Assistance, Outstanding Public Relations program, Outstanding Membership Recruitment program, Outstanding Membership Education program, Outstanding Chapter Administration, Outstanding Facility Management, and Outstanding Alumni Relations. In addition to these terrific distinctions, the Kansas Chapter was selected as a finalist for the Sweepstakes Award, the highest honor bestowed on a chapter by the fraternity.

ACADEMICS

The chapter hosted our bi-annual scholarship dinner on October 15. Numerous faculty and staff

KANSAS CHAPTER KEEPS RICH TRADITION ALIVE

Once again the Kansas Chapter has distinguished itself in a positive light. As you know from the chapter leadership, we did very well at the DU International Sweepstakes awards. Last year we finished on a high note, placing eighth on the Hill among all fraternities. It is important to understand that there is a very tight spread among the top houses, with only a 0.2 G.P.A. difference between the number one house and us. We again owe a debt of gratitude to the undergraduate leadership for their continued vision and forward motion.

Last spring we also enjoyed the chapter/alumni retreat and the alumni banquet. I was very honored to be recognized by the alumni leadership at the banquet. It was one of the most memorable opportunities for me

joined the chapter to celebrate another strong showing in the classroom. **Jason Huntington '05** was presented with the **Keith Bunnell '46** Scholarship Award for his outstanding academic performance. Jason, a pre-medicine chemistry major, has an impressive overall 3.95 G.P.A. and has earned a 4.0 G.P.A. the last three semesters. **Jon Gray '04**, **Bob Bruce '05**, **Chris Drake '06**, and **Ryan Wasinger '05** were also recognized for earning 4.0 G.P.A.'s last semester. Overall, 46 members earned better than a 3.0 for the spring semester, and the chapter finished with a 3.0 G.P.A.

RECRUITMENT

We are excited to welcome 24 young men into the Kansas Chapter this year. A quick look at their bios on page 3 indicates the caliber of individuals we are adding to our chapter's legacy of scholars, athletes, and leaders. The chapter conducted its formal pledging ceremony in coordination with Parents' Weekend on September 21. We were honored to have Delta Upsilon Executive Director **Jeff Fuhrman**, *Northern Iowa '94*, attend the ceremony and provide the inspirational charge.

Quality recruitment continues to be a high priority for us, and we

recognize and greatly appreciate the personal recommendations from our alumni and friends. Directing our efforts this year are **Kyle Cook '06**, **Tyler Emery '06**, and **Pat Joyce '06**. Please contact any one of these three via e-mail or submit the recruitment recommendation form on page 3.

PHILANTHROPY

The Kansas Chapter recently sponsored the 23rd Annual **Greg Wilkerson '85** Memorial Flag Football Championship. Thirty teams competed in the week-long tournament for the prestigious tournament title. Through corporate donations, entry fees, and t-shirt sales, we were able to raise more than \$5,000 for the Boys and Girls Club of Lawrence. We were thrilled to have the opportunity to interact with the approximately 40 community youth who attended the championship games. Their enthusiasm left a lasting impact and served as a reminder of the reasons for our efforts.

With a full house, chapter morale is high. We are working hard to continue the mission of the fraternity, and we greatly appreciate all of you who give your time and money so generously, making the Kansas Chapter of Delta Upsilon the premier fraternity at KU.

RICH TRADITION

(Continued from page 1)

Above, from left, Jerry Nossaman '60, Lynn Mitchelson '62, and Charles Belt '57 enjoy the Alumni Banquet.

personally, to reflect on my years with Delta Upsilon, and to appreciate how the DU experience is much more than living in a small room with some guys. We are all working hard to help the undergraduates understand, cherish, and protect the principles that we hold high.

Finally, the Kansas Chapter of Delta Upsilon has been fortunate to enjoy excellent alumni financial support. The chapter can benefit from donations to the Educational Foundation, the Alum-

ni Corporation, the Parents' Club, or the Lloyd Houston Scholarship Fund.

As you have read in previous editions, the Lloyd Houston Scholarship Fund has been established with the KU Endowment Association. It is our hope that we can soon give out regular awards to the undergraduates for academic performance.

Ultimately, it would be ideal to have a large enough endowment to provide scholarships for undergraduates. I hope you will join me in generously supporting the Lloyd Houston fund along with the other worthy DU projects. Your support is what keeps the fraternity financially healthy.

Scott Lampe '77, Bill Shea '79, David Rayl '78, and Nick Michale '77 remember their DU days at the Alumni Banquet last May.

GIVING OPPORTUNITIES DEFINED

Report by Lewis D. Gregory '75

Brothers, the undergraduate chapter is doing a terrific job and I want to encourage you to support them with your charitable gifts. Here is a summary of ways to benefit the Kansas Chapter of Delta Upsilon Fraternity.

KANSAS CHAPTER OF DELTA Upsilon EDUCATIONAL FOUNDATION

The purpose of the Foundation is: "To build and manage the assets of the Foundation and to make financial grants to the Alumni Corporation of the Kansas Chapter to the IRS permitted level." This financial assistance can include reduction of chapter house indebtedness and annual funding of the Foundation's permitted share of chapter house operational costs incurred. This enhances educational space and maintains all educational areas of the chapter house, including payment of maintenance, utilities, insurance, real estate taxes, and overhead costs. We are underfunding the annual request from the Corporation Board

Typically, these gifts are part of the regularly scheduled annual solicitations by mail, capital gifts for debt reduction, special projects with targeted alumni, and estate gifts or planned gifts from alumni who have graduated more than 35 years ago.

DELTA Upsilon LLOYD H. HOUSTON SCHOLARSHIP FUND

This fund is with the KU Endowment and was started by Brother Houston in 1957 with a contribution of \$2,500. The fund in November 1998 was \$2,230.74. No loans have been executed in more than 15 years. Initially, the fund was to be managed as a term-endowed fund. Several years ago, we changed the fund to become a permanently endowed fund maintained by the KUEA

with the income from, but not the principal of, the fund to be used as follows: to provide scholarships for deserving KU students who are members of the Kansas Chapter of Delta Upsilon Fraternity. An appropriate committee appointed by the Kansas Chapter of Delta Upsilon Educational Foundation Board thereof shall determine the amounts of such scholarship awards and recipients. To be a permanently endowed fund and make monies available it needs to be above \$10,000 by the end of 2003. We have reached this level and will be awarding about \$600 split between brothers with highest grades in the chapter. The Parents' Club also supports this gift directly. As a comparison, SigEp's fund is about \$300,000. Our competitive nature should encourage some giving!

KU First Gifts can be counted in this fund. The general solicitation for KU First will go out this fall; I encourage you to consider adding your gift to the existing fund. Or, for those wanting to start your own named scholarship or leadership fund, the minimum is \$25,000.

THE INTERNATIONAL DELTA Upsilon EDUCATION FOUNDATION

This foundation will use monies for either the general purposes of the fraternity or specifically for projects benefiting the local chapter. Leadership training is the main focus of the conference and regional meetings. Gifts from KU alumni ensure that our undergraduates attend and also are recognized for outstanding chapter performance.

Brother Gregory serves as president of the Kansas Chapter of Delta Upsilon Educational Foundation Board, a trustee of the International Fraternity Delta Upsilon Educational Foundation Board, on the steering committee of KU First, and KU Endowment Association's \$500 million campaign, Invest in Excellence.

KU'S DIRECTOR OF FRATERNITY AND SORORITY LIFE COMMENTARY

The Kansas DU Chapter continues to be one of our top chapters. I have always found the chapter as a whole, and individual members, to be respectful, responsible, quick to respond to the needs of others, and dynamic leaders. The men are stellar representatives for KU and Delta Upsilon, and I feel fortunate to have such a fine chapter here at KU. Delta Upsilon is heads and shoulders above the fraternities when it comes to adherence to policy and representing our community in a positive light. I always feel welcomed with open arms during my visits to the chapter residence, and find it to be in such excellent condition.

"DELTA UPSILON IS HEADS AND SHOULDERS ABOVE THE FRATERNITIES."

The chapter's achievements directly reflect the continued involvement of numerous dedicated alumni, whose contributions to the proud tradition of Delta Upsilon at the University of Kansas should not be overlooked. Your involvement makes a significant difference in the lives of these students, the fraternity and sorority community, and greatly enhances the KU experience. Thank you.

Fraternally,
Angie Carr
Director of Fraternity and Sorority Life
The University of Kansas
