A PUBLICATION OF THE KANSAS CHAPTER OF DELTA UPSILON

SPRING 2003

KANSAS DU RECOGNIZED WITH TOP AWARDS

Jeff Dunlap '05, Kyle Schafersman '04, Grant Thompson '04, and Dallas Rakestraw '03 display the awards presented to the Kansas Chapter at Greek Recognition Night on February 24.

CAMPUS LEADERS

Several Kansas DUs are making their presence known in the University community. **Ben Counter '04** was recently elected vice president of interfraternal relations for IFC, **Dallas Rakestraw '03**, **Jeff Dunlap '05**, and **Pat Joyce '06** are serving as student senators, and **Ben Van Ness '05**, **Tom Van Compennolle '05**, and **Brian Holzgraefe '05** are active in the Student Alumni Association. **Grant Thompson '04**, **Justin Trombold '04**, **Jason Huntington '05**, and **Sean Murphy '06** are competing on the University's water polo team, while **David Hiebsch '03** is on the hockey team.

ATHLETICS

Kansas DU recently added to its trophy collection, claiming a championship in sand volleyball, a second place finish in floor hockey, and a third place trophy in football. Combining these accomplishments with earlier championships in golf and swimming, the Ducks are once again in the hunt for the Hill Intramural Championship.

ALUMNI
UPDATE
6-8

The Kansas Chapter wrapped up 2002 with an exciting and productive finish. The Chapter once again established a record scholarship mark with a 3.08 G.P.A. More than 65 percent of the members earned better than a 3.0 average. We are particularly proud of our freshman pledge class, as they eclipsed the campus all-freshman men G.P.A. of 2.59 with their own 3.05 G.P.A. Plans are being developed to celebrate our success, recognize our scholars, and thank our faculty advisors with a scholarship dinner in April.

TRADITIONS *Advancing Our Values*

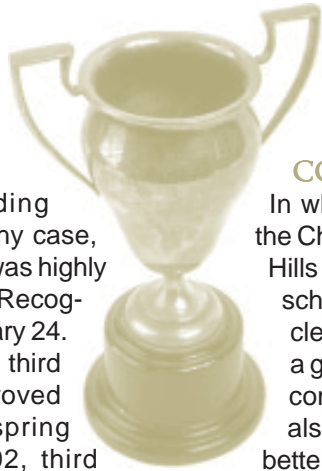

One of the elements that is deteriorating in society today is the understanding and passing on of traditions. Traditional family values and social traditions have often disappeared or have given way to less productive and wholesome behaviors. One function of the Greek system is to advance values and traditions that fraternities have held in esteem. Depending on the chapter and fraternity, those traditions may be productive and socially valuable, or they may be destructive and unhealthy.

Delta Upsilon is fortunate to have a rich heritage of tradition based on values that were as unusual in the 1830s as they are today. We have all learned those basic underlying principles, but sometimes have neglected to articulate them and use them in our daily lives. DU is built on the

belief that we should treat our fellow men with dignity, respect, and in a just manner. Our principles recognize that in conducting our lives, we should develop our character and foster the development of character in those around us. We continue to do this as we develop our friendships, and as we explore and embrace many aspects of culture and education.

As we work to foster a healthy and productive Chapter, the communication and articulation of tradition is critical. The young men in the Chapter can do only so much of this. It is up to the alumni to provide steady input on our principles and traditions. Without alumni guidance, Chapter tradition breaks down and young men will fill in the void, and not always in a positive manner.

GREEK AWARDS

Speaking of adding hardware to the trophy case, the Kansas Chapter was highly decorated at Greek Recognition Night on February 24. The Chapter earned third place for Most Improved Scholarship from spring 2001 to spring 2002, third highest Chapter G.P.A. for spring 2002, and was the recipient of the Overall Chapter Improvement Award. DU also received Chapter Excellence Awards for the following areas: scholarship, financial management, risk management, inter-fraternal relations, community relations, and alumni relations. The Kansas Chapter was one of only two fraternities to receive the Overall Chapter Excellence Award! In addition, **Dallas Rakestraw '03** was recognized as an Outstanding Senior.

RISK MANAGEMENT

A new risk management program has lead to tremendous leaps in alcohol education. Members have been strongly encouraged to complete an online program called AlcoholEdu. This tutorial walks you through several video clips and stops periodically for individual assessment and surveys. The Chapter members who have finished the program have agreed that it is very informational and enlightening.

COMMUNITY INVOLVEMENT

In what has become an annual event, the Chapter is again sponsoring the West Hills Neighborhood Cleanup, tentatively scheduled for late April. The planned cleanup effort and barbecue provides a great opportunity to demonstrate our commitment to the community, and also allows us to socialize and build better relations with the other fraternities, sororities, and residents in our neighborhood.

RECRUITMENT

As we near the new member signing day of May 4, our quest to fill the fall 2003 pledge class is in full swing. Recruitment Chairmen **Wes Osbourn '05**, **Paul Gregory '05**, and **Jason Shanker '05** are doing an excellent job introducing prospective members to the Fraternity, and we are expecting to pledge another stellar class. We recognize that a successful Recruitment program is an essential aspect to the longevity of a fraternity or any organization for that matter, and these gentlemen are doing a fine job of leading our efforts.

We truly appreciate and value all of the recommendations we have received to date. Your continued involvement is a testament that being a Kansas DU is not just about the four-year experience while

on campus. Please continue to help us build a strong organization by notifying us of a scholar, athlete, or man of overall good character by completing the Recruitment form below, or by contacting the Recruitment chairmen at the e-mail addresses provided.

These are just a few of the many positive happenings taking place at 1025 Emery Road. I would like to recognize the tremendous efforts of **James Waring '03** and **Owen Kemp '03**, our outgoing president and vice president, respectively. The Chapter's recent success is a direct reflection of their leadership and has allowed us to set our sights on even greater accomplishments. We intend to build on this momentum and continue our mission of being the premier fraternity at the University of Kansas.

On behalf of the Chapter, we look forward to seeing you and celebrating our proud tradition at the Distinguished Alumni Banquet on May 3.

Fraternally,
Kyle Schafersman '04

Senior Reflections

James Waring '03
Leawood, Kan.

Never would I have imagined four years ago all of the opportunities presented by fraternity membership. Looking back, I can honestly say my association with the Kansas Chapter of Delta Upsilon has truly been an experience that will stick with me for life. I realize now how blessed I have been for having parents who taught me to appreciate the principles of culture, character, friendship and justice. But DU has taught me how to reflect upon these values and use them as a foundation to base even the most difficult decisions. This concept is hard to explain; there is not a book to read or a class to take, it is only something that can be experienced and learned. I feel fortunate to have found such excellent friends, mentors, and most importantly Brothers; thank you for giving me so much to take past the walls of 1025 Emery Road as I head out into the next chapters of my life.

Apprehensive, nervous, and worried. This is the best way to describe how I felt as I thought about attending KU and pledging Delta Upsilon. Was I making the right choice? Would I be happy? The answer now is clearly a resounding YES. I quickly discovered there were numerous opportunities that were not only a lot of fun but allowed me to build tremendous friendships and develop skills that have made me a better man. As I continue my education toward a career in the legal field, I owe so much to the life lessons provided by my experience in the Kansas Chapter.

Dallas Rakestraw '03
Maize, Kan.

The past four years have gone far too fast. I remember arriving at KU and 1025 Emery with both anticipation and a little uneasiness; I only knew three people on campus but I was confident DU was a good fit. I am so thankful I had the courage to make that decision. Delta Upsilon introduced me to a group of 80 men, all with different backgrounds and perspectives and provided me with a smaller community within the larger university. Through my Chapter experience, I feel that I was able to learn a great deal more beyond the classroom, enhancing my KU education. As I move into the next phase of my life, I am grateful for the many friendships, memories, and lessons learned and know DU will continue to have a positive influence on me.

TRADITIONS

(Continued from page 1)

The Chapter serenades the 2002-03 DU Trophy Girl.

It is the goal of the Alumni Corporation Board to sponsor an annual retreat in the spring that brings the Chapter and alumni together. Our hope is to cross-pollinate generations of experiences and traditions that will help to sustain a healthy and viable Chapter. This guidance will help guide the Chapter toward behaviors and beliefs that will be productive, and allow all generations to better understand the challenges of the other.

Join me in applauding the work of the Chapter leadership and the individuals who have worked so hard to improve DU at KU. Join me also in passing on our rich traditions to the Chapter at the retreat and alumni event on May 3.

Fraternally,

Eric A. Voth, M.D. '77

Alumni Corporation Board President

THANK YOU ALUMNI!

Keeping with our strong showing of alumni donors, the Kansas Chapter of Delta Upsilon once again had an impressive fall 2002 appeal. Eighty-nine alumni donated \$9,995 to the Annual Campaign, with an average gift of \$138.63. To date, loyal Kansas Chapter alumni have contributed more than \$147,000 since the fall of 1996 for the Kansas DU Educational Foundation. The undergraduate Brothers sincerely appreciate our alumni for their continuous support and generosity. Your ongoing commitment makes a difference in the future of the Kansas Chapter, and ensures that we still have a prominent presence on the Hill.

The following is a list of Annual Campaign contributors to the Kansas Chapter of Delta Upsilon. The list reflects all of the annual contributors since the fall of 1996. Donors' cumulative giving totals are listed by giving club. If an error has been made in recording the amount of your gift(s), we sincerely apologize. Please send corrections to the Kansas Chapter of Delta Upsilon, P.O. Box 1611, Lawrence, KS 66044. Thank you, again, for giving back to the Chapter—it truly does make a difference!

ALUMNI UPDATE

CHAPTER ETERNAL

Lt. Col. Charles "Cub" Baer III '41 passed on to Chapter Eternal on February 20, 2003, at his home in Lawrence, Kan. He was born on July 17, 1918, in Topeka, the son of Charles J. and Arline (Neff) Baer. He grew up and attended school in Topeka and graduated from Kansas University in 1941. Cub was an artillery officer during World War II. He then served in the reserves, retiring as a lieutenant colonel. He was the first World War II veteran to join the KU faculty. He was an instructor and an assistant and associate professor in KU's department of mechanical engineering before he became a professor in 1964. He authored or co-authored three engineering textbooks. After retiring in 1983, he assisted in writing a history of KU's School of Engineering. He was a member and past chairman of Lawrence Traffic and Safety Commission, past co-chairman of the United Way drive, and member and past president of the Lawrence Kiwanis Club. He married Mary "Molly" Tanner on November 22, 1945, in Kansas City, Mo. She survives of the home. Other survivors include two daughters, Sandra Dorn, Redwood Valley, Calif., and Katherine Harris, Centennial, Colo.; a sister, Beth Skaggs, Pratt, Kansas; and four grandsons.

Jack B. Comstock '48, Englewood, Colo., passed on to Chapter Eternal on November 5, 2002, at home with his family. Jack had a very rare and incurable disorder called progressive supranuclear palsy, which he battled for three years. He is survived by his wife, Patricia, and three grown children: Greg, John, and Cindy.

ALUMNI NEWS

Donald D. Phillips '34 is retired and doing well in Lantern Park Manor nursing home in Colby, Kan. He is a former U.S. magistrate and retired attorney. He and his wife, Arliss, have three grown children: Richard, David, and Pamela.

D. Robert Buechel '47 is a retired professor emeritus at Stanford University in San Jose, Calif. Bob and his wife, Joan, live in Campbell, Calif., and have four grown children: Jane, Sally, Robert, and Rebecca. They are enjoying retirement by spending time with their grandchildren in Bermuda. PLAY IT AGAIN...GEORGE!

George Michale '54, whose knack for tickling the ivories was nurtured during his undergraduate days on the Chickering grand piano in the DU living room, reports that he continues to play "by ear" for enjoyment and relaxation. George plays regularly for area nursing homes in Kansas City, taking requests for favorite tunes.

Grateful residents often try to pay George for taking his time to entertain them, but he always refuses. When his popularity and following increased, the nursing home actually budgeted funds to keep George playing! Rather than take the money, George has instructed the nursing home to send the honorarium directly to the Kansas DU Educational Foundation. Thanks George, for your regular gift to the elderly and to Kansas DU!
