DELTA UPSILON CELEBRATES 95TH ANNIVERSARY

JOHN HOLT '81 NAMED 2015 DISTINGUISHED ALUMNI AWARD RECIPIENT

It has been quite the journey for **John Holt '81** since his days at KU and DU. He's traded in his lime green leisure suit for something a little more neutral and his graveyard DJ shift with KLZR-FM for the co-anchor position on the Fox 4-Kansas City evening newscasts.

Along the road, Delta Upsilon played an important role according to John. "In so many ways DU helped shape my college experience in positive ways, from learning how to study to social opportunities. I came from Great Bend, Kansas, but learned to work with guys from all over the country. We found out how to make the community work even when we didn't all agree on aspects of fraternity life."

"Having a support system of upperclassmen who mentored me was invaluable. Guys such as my pledge dad, **Jake Thompson '79**, **Bryan LaGree '80**, **Dr. Boo Hodges '79**, and the late **Dr. Mark Wilson '80** taught me how to stay organized and focused on academics while still enjoying fraternity life."

"As I got into the work world, DUs in business and in journalism inspired me. In particular, KU DU **Brian Bracco '73** at KMBC-TV, now general manager for KSHB-TV, served as a mentor, always willing to offer advice or critique my work. I've always remembered and have been grateful for that, and try to do the same for other young journalists."

Alumni Gather to Remember 95 Years of Kansas DU

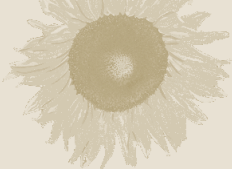

Over 100 alumni, undergraduates, and guests gathered on Saturday, April 18 at the Adams Alumni Center on campus to celebrate the Chapter's 95th anniversary. Throughout the evening brothers sang songs, reminisced, and heard comments about key accomplishments from undergraduate President **Kyle Winston '17** and DU Educational Foundation President **Grant Kaufman '92**. We also heard remarks about important moments in our Chapter's history. **John Esau '78** shared memories of the Chapter House fire of 1978 and **Ken Higdon '48** honored those brothers who gave their lives in the military in support of our country. **Jerry Kenefake '92** was the evening's emcee.

The Chapter also honored **John Holt '81** as the 2015 distinguished alumnus for his numerous philanthropic contributions in the Kansas City area and his strong support of Delta Upsilon since his undergraduate days. **Matt Keenan '81** introduced John and shared several humorous anecdotes about their friendship, which began in Great Bend, Kansas. John was also joined by family members.

We are beginning to plan not only our 96th anniversary next spring, but also initial plans to celebrate our centennial in 2020. If you're interested in helping, please contact Phil Frerker at phil.frerker@hallmark.com.

JOHN HOLT '81

(Continued from page 1)

John Holt '81 and his wife, Suzy, with their daughter, Katie, and son, Jack, at his West Point graduation and officer commissioning.

Watching John progress through his career while remaining engaged with DU made him a clear choice for the 2015 Distinguished Alumni Award. He returns to the alumni dinner each year, keeps connected with the status of the current members, and has served on the House Corporation.

“Frankly, I was stunned, yet most certainly very honored and flattered to be the recipient. I’ve emceed a number of the banquets and helped recognize a long list of distinguished alumni, including some great guys from my dad’s era and my own. To join that esteemed list is a thrill.” John’s father is **Dr. John Holt '57**. His DU legacy also includes his grandfather, uncles, and two brothers, **Bob '83** and **Tom '88**.

John also remains connected to DU through his own pledge brothers and by watching the active chapter. “I continue to be impressed with the quality of the guys who call 1025 Emery Road home. It’s always exciting when I’m out and one of the young men will introduce themselves to me as a KU DU. The beauty of the shared fraternity experience includes a lifelong bond you develop. It’s always a blast to reconnect with brothers to relive and perhaps embellish a bit on those good ol’ days.”

John and his wife, Suzy, who he met while the two were in law school at KU, have two children, Jack, a 1st Lieutenant in the U.S. Army, and Katie, who is in the Nurse Practitioner Graduate School at Creighton University.

DELTA UPSILON WRAPS UP SUCCESSFUL SEMESTER

Excellence in Academics, Leadership, and Philanthropy

This has been another great year for the undergraduate Chapter. We had more than 40 brothers make a GPA higher than a 3.25 and are once again above the all-men's average on The Hill. We won several intramural championships this semester. We also had the honor of having our basketball team play in the championship game at Allen Fieldhouse. Many of our brothers have dedicated their time and talents to serving others through philanthropy events and we continue to put others, and the community, before ourselves.

Nationally, we are once again one of the biggest and best DU chapters. We are in second place for Chapter excellence points. We sent 10 of our brothers to the Regional Leadership Academy in Kansas City, and look forward to sending more to the Leadership Institute in Atlanta this summer. We took away a plethora of ideas to better our Chapter as a whole and to ensure that everyone has the best Kansas DU experience possible.

This year we also made it into Rock Chalk Revue for the first time since 2010 with the women of Kappa Alpha Theta. The theme for this year's show was The Best Is Yet to Come. Our show was about Mario Chalmers' shoe closet and getting ready for the 2008 national championship game. We look forward to trying to make it into next year's show as well.

In summary, Delta Upsilon has had another wonderful year at the University of Kansas, and we are looking forward to even better ones to come very soon.

Fraternally,
Kyle Winston '17

Raise a Glass in Honor of Chris Hanna '93

Chris Hanna '93 passed away on February 14. Chris was born September 3, 1970, in Wichita, Kan., to Janice Ann and William Wesley "Bill" Hanna. He graduated from Southeast High School in Wichita. He received his undergraduate degree in business administration from the University of Kansas and his MBA and law degrees from the University of Texas at Austin. His brother, Paul, is also a DU, and their entire family has been strong supporters of the Chapter over the years. Chris was also a leader with the University's alumni association and served on several volunteer boards, including the KU Memorial Union Corporation Board and the Associate Board of Advisors for the KU School of Business.

As a self-employed businessman, Chris had previously been employed at Hill's Pet Nutrition, Americans for Prosperity, and was founder and partner in The BleuJacket restaurant. Chris truly loved the restaurant business and most recently enjoyed being an investor in the restaurant, Merchants Pub & Plate.

Chris married Teresa "Tree" Lynch Hanna, a Chi Omega from KU, on August 9, 1997, in Beaver Creek, Colo. He was active in the Lawrence community as the golf coach at Bishop Seabury Academy and enjoyed golfing with his family and friends. Chris was regarded by all as an intelligent, kind, funny, cheerful and giving man who was always willing to lend a hand. He will be dearly missed, and we raise our glass to honor Chris and the contributions he has made to our Chapter and community.
