## DU EXCELS IN ACADEMICS AND RECRUITMENT

Greetings from 1025 Emery! We had a great spring semester and I am excited to update you on the early successes of the fall semester.

### Academics

The Chapter continues to excel in academics. We earned an all-Chapter G.P.A. of 3.07, finishing fifth on The Hill. This was the sixth straight semester with an all-Chapter G.P.A. above 3.0. The scholarship dinner, held Wednesday, October 20, has been greatly improved the last two semesters. We have appreciated increased alumni involvement and those alumni who came to support us.

Dick Wintermote '51 (second from left) and Norv Osborn '52 (far right) lead KU students in a cheer at a 1947 pep rally.

### Campus Involvement

Our Chapter is setting a strong example through campus involvement. **Jeff Dunlap '05** is KU's student body vice president and has support from **Wes Osbourn '05** as a business school senator. **Nick Arthachinda '06** continues his term as IFC vice president of recruitment, and **Paul Gregory '05** sits as vice chief justice for the IFC Judicial Board.

The Greg Wilkerson Football Tournament concluded September 27 with Alpha Chi Omega taking the girls' championship. Bringing home the men's championship was our own DU team. The tournament, which is in its 24th year, raised \$3,500 for the Boys and Girls Clubs of Lawrence.

### Recruitment

Recruitment Chairmen **Paul Lantis '07**, **Brad Lewis '07**, and **Nolan Seim '07** have been compiling a recruitment list from in-house member contacts, alumni recommendations, and University sources. Thanks to all alumni who provided recommendations. Your input is crucial, and we hope to continue receiving names throughout the year. We are preparing to send out letters to potential new members for our November 13 recruitment event. This will be our first recruitment event of the fall and we expect a strong turnout.

### Membership

On September 12, we conducted our formal pledging and initiation ceremonies, initiating five brothers and pledging 26 associate members. We are excited about the future contributions this great group of men will make to DU.

A highlight of this semester was a visit from KU basketball legend Danny Manning. Danny joined us for dinner and then stayed for a question/answer session. Topics included the upcoming KU season, the 1988 championship season, life in the NBA, and KU recruits for years to come. Thanks goes to Housemother Shirlie Vaughn for arranging this amazing experience.

Members of the Chapter were honored to have Danny Manning visit for dinner this semester.

## KANSAS CHAPTER BIDS FAREWELL TO FIRST LEGACY

### William S. Koester, November 1919–January 2004

Kansas Chapter's first legacy passed on to Chapter Eternal in January 2004. **William S. Koester '41**, the son of **Colonel Fred W. Koester '18** passed away in Fullerton, California. Fred was one of the founders of the Kansas Chapter. When Bill was initiated, he was given the pin of **Goldwyn Goldsmith, Columbia 1896**. This pin is now displayed in the Bunnel Library along with the note that Goldsmith sent to Fred Koester.

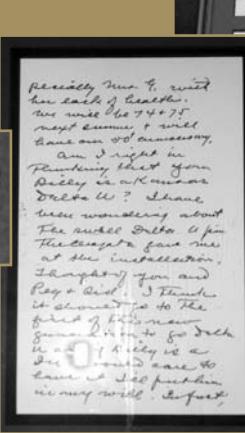

According to Mr. Goldsmith's note, he wanted the "first of the new generation to go Delta U" to have the pin that the Chapter gave him at its installation. The pin has the word "Kanza" engraved on the back. A representation of the Kansas Chapter's

founders' hard work, the pin stands as a way to remember the Chapter's first legacy.

Bill was a retired magazine editor and still read the entire *L.A. Times* often writing in with his own edits. He enjoyed politics, listening to music, and spending time with his daughters. His beloved wife, Irma, preceded him in death 20 years prior. He displayed a great amount of courage in his last years and always showed loyalty to Delta Upsilon. His passion and brilliance are truly missed by all who knew him.

Recently Mrs. G. wrote  
her date of death.  
She will be 74 & 7<sup>1</sup>/<sub>2</sub>  
next January & will  
have over 80 years.  
Am I right in  
thinking that your  
Daddy is a Kansas  
Delta U? I have  
been wondering about  
the Uncle Delta U pin.  
The largest face was  
at the installation.  
Thought of you and  
Ray & Bill. I think  
it is shown to the  
first of his new  
grandchildren to go Delta  
U in 2004. I really is a  
big world and we  
have a lot of fun here  
in my world. So first,

**Left:** The pin that Goldwyn Goldsmith, Columbia 1896 gave to Bill Koester '41. **Center:** The pin and letters are on display in the Bunnel Library. **Right:** A portion of the note that Goldwyn Goldsmith '18 sent to Fred Koester '41 offering his pin to Bill Koester '41.

## DU Excels in Academics and Recruitment

*(Continued from page 1)*

### Intramurals

The Chapter started the intramural season in winning fashion. DU's number one football team is 12-0 entering The Hill tournament, finishing first in our bracket. We won the Kappa Kickoff tournament and our own Greg Wilkerson philanthropy tournament. As floor hockey season approaches, the team hopes to repeat as champions. We are excited about the possibility to regain our spot as one of the top athletic fraternities on The Hill.

### Thank You

My term as president will be ending shortly and I would like to thank all of the alumni for their hard work and support. Without continued alumni involvement, Kansas DU will not continue as a top chapter at KU. Your contributions of time and money have given all of us a great college experience and allowed us to learn and grow as brothers in Delta Upsilon. I would like to extend a huge thanks to my executive vice president, **Nathan Rosemann '05**, for his hard work and leadership, as well as the entire Executive Board. A fraternity is only as good as the men who are in it. I am extremely proud to be associated with the Kansas Chapter of Delta Upsilon's strong alumni and I feel confident leaving the Chapter in the hands of the leaders of the undergraduate Chapter. It has been an honor serving as the undergraduate president and I will always be proud of my membership in Delta Upsilon and of our many great accomplishments over the last year.

Fraternally,  
**Paul Gregory '05**  
Chapter President

## PLANNED GIVING ALLOWS MEMBERS TO LEAVE LASTING LEGACY

The opportunity to give back to the Fraternity extends beyond annual giving. **Tom Rinehart '57**, **Charles Heath '64**, and **Grant Kaufman '92** have made a commitment to Kansas DU through planned giving that will benefit DUs for generations to come.

Chuck cites several reasons for planned giving to KU and DU. Below he describes his decision for setting aside a portion of his estate to both organizations.

*“Planned giving can be both a selfish and selfless endeavor. Many bases can be touched including your own home plate. In my case, I have been able to do a Charitable Remainder Unit Trust with KU Endowment and the DU Houston Scholarship Fund as the beneficiaries. Out of this, my spouse and I get an enhanced income for life, a nice tax deduction, capital gains tax avoidance, and the ability*

*through my employer to match part of the gift. The gift's principal is still exposed to the capital markets, thereby enabling it to grow beyond the distributions and enhance the ultimate value for KU and DU. On the charitable side, it has enabled me to recognize two organizations that have had a profound influence on my life...KU and Delta Upsilon. This was a very simple thing to implement and easy to understand. Most importantly, it provides a keen sense of satisfaction for repaying in part the institutions that have enabled me to pursue a lifestyle and career of my own choosing.”*

Please consider joining the above alumni in the newly formed Heritage Club by including the Kansas Chapter in your estate. Your commitment to the future of Delta Upsilon ensures that the opportunities you had will be available to Kansas DUs for years to come.

## Craig Slawson's Daughter Carries Torch at Traditions Night

At this year's Traditions Night during Hawk Week, freshman Taryn Leigh Slawson, a fifth generation Jayhawk, was one of two freshman representatives to carry the torch into Memorial Stadium on August 16, 2004. The torch represents the knowledge that is passed down Mt. Oread by the upperclassmen.

Taryn's connection to DU is almost as strong as her connection to KU.

- **Craig Slawson '80** is her father
- **Todd Slawson '84** is her uncle
- **Donald Slawson '55** is her grandfather
- **Charles Slawson '20** is her great-grandfather

The undergraduate chapter was represented in the ceremony by Nick Arthachinda '06 who carried the torch for the junior class.
