## CHANGES TAKE PLACE FOR DELTA UPSILON

◆ *Kansas Chapter Study Hall and Leadership Suites Updated*

◆ *DU Rewrites Pledge Education Program*

The Alumni Corporation Board recently “cut the ribbon” on the Chapter’s new study hall and leadership suites. Financed with a grant from our Education Foundation, the area directly below the Bunnell Library underwent a \$20,000 renovation into a study hall complete with new flooring and wall covering, additional lighting, wireless Internet access, and 20 private study cubicles. The Kenneth Higdon Leadership Room was also renovated with workstations, file cabinets, and a conference table so the undergraduate leaders now have a place to conduct Chapter business.

Leaders from the undergraduate Chapter and the alumni corporation board are working together to rewrite the Chapter’s pledge education program. With the guidance of Delta Upsilon International, the Chapter’s new program will be unveiled with the fall 2008 pledge class. It will then be studied and modified before being made available for use at other Delta Upsilon chapters. Changes include less memorization,

more speakers, activities focused on DU’s four founding principles, more creative ways to teach Chapter history, and learning opportunities that pave the way for our pledges to be successful in school and in their careers. Because the program is more streamlined, initiation will now occur in October after mid-term exams. This is consistent with the current practices of several other top national fraternities.

Strong academics and Chapter involvement will continue to determine eligibility for living in the house and other membership benefits.

Fraternally,

**Bryan R. LaGree '80**

President, Alumni Corporation Board

## Delta Upsilon Plays Integral Role in the History of KU

◆ *Scholarship Dinner Held March 11*

◆ *Recruitment Night February 9*

◆ *DU Raised \$3,500 for the Boys and Girls Club of Lawrence*

Since 1920, the men of Delta Upsilon have played an integral role in the history of the University of Kansas. We have contributed in the areas of academics, athletics, leadership, and participation in a wide variety of organizations. As we commence a new academic year, we reflect on our recent accomplishments and look to build on the success of our undergraduate Chapter in the future.

### G.P.A. SOARS TO 3.08

After returning from winter break, we were enthused to learn our Chapter earned a cumulative G.P.A. of 3.08, placing us sixth among 26 other IFC and NPHC fraternities. This semester we held a great scholarship dinner on March 11. Academic distinction has constantly been a strongpoint of Delta Upsilon and will remain so during the semester ahead.

Jesse Schneider '11, Bryan Hastings '09, Eric Marshall '08, Matt Metz '08, Tyler Reynolds '09, Alex Mack '09, Tanner Hotze '10, Joe Coletta '09, Trent Nelson '08, Tommy Beeler '08, and Logan Brown '10 won the intramural championship football game at Memorial Stadium.

Delta Upsilon and Pi Beta Phi were chosen to perform at Rock Chalk Revue for the third consecutive year. Brothers Pat Paterson '10, Tom Belot '09, Riley Voth '10, Dylan Fulmer '10, and Dan Torson '11 participated.

### 24 NEW MEMBERS INITIATED

The fall semester was another successful effort by our recruitment chairmen. In early November, we initiated 23 new members into our brotherhood and added one member this spring. We hosted our first recruiting event on November 17 and our second, Casino Night, on February 9.

Our recruitment chairmen, **Logan Brown '10**, **John Stolle '10**, and **Eric McCarthy '10**, are energized and dedicated to their positions. They spend countless hours throughout the week networking with potential new members. We will host two additional recruitment

events this semester as well as a parent's day for recruits. We plan to sign a large pledge class for the fall 2008 semester.

### DU COMPETITIVE IN SPORTS ARENA

Delta Upsilon carries on with a competitive edge in all areas of intramural sports. Our flag football team defeated Phi Delta Theta under the lights of Memorial Stadium, winning our third consecutive title. Our volleyball and bowling teams won The Hill championship, as well. Our basketball team boasts an undefeated record, and we expect a return to the championship game. With many accomplishments behind us, we look forward to competitive intramurals this spring.

### COMMUNITY SERVICE AND INVOLVEMENT A HIGH PRIORITY

Our Chapter continues to garner attention on campus and in the community. In philanthropy and community participation, our Chapter took second place in Homecoming with Chi Omega. Along with Pi Beta Phi, we were chosen to participate in Rock Chalk Revue for the third consecutive year. Our **Greg Wilkerson '85** Memorial Football Tournament had another successful turnout, raising \$3,500 for the Boys and Girls Club of Lawrence. As a program coordinator for KU's Center for Community Outreach, **Bryan Wassenberg '09** has drastically increased DU's community service participation.

As president, I am dedicated to building on our venerable tradition. Today's DUs remain committed to our fraternity's founding principles: promotion of friendship, development of character, diffusion of liberal culture, and advancement of justice. As we forge ahead in the 21st century, we will continue our mission of building better men and serving the community.

Fraternally,

## Alumni Boards Chart New Course for Kansas DU

The Alumni Corporation Board, under the leadership of **Bryan LaGree '80**, and the Kansas DU Educational Foundation, headed by **Lewis Gregory '75**, are doing a study to examine new opportunities for our Chapter to reach beyond recent accomplishments. Our Chapter is striving to become a benchmark organization and offer an experience that truly enhances collegiate life and beyond. "Our aim is to set the bar a bit higher, increasingly working to improve recruitment and retention of the best and brightest young men to our organization," said Lewis.

Significant goals of the program will provide mentoring, academic counseling, leadership training, life-skills offerings, as well as goal setting and professional oversight. Our brothers will be better prepared upon graduation to find top jobs or continue their education in highly competitive post-graduate fields.

Several members of each board are meeting to hammer out details of the plan, which will include upgrades to the facility and furnishings and exciting new programming efforts. As plans solidify, additional alumni and undergraduate members will be joining the committee to critique the plan and offer suggestions for implementation.

Delta Upsilon's founding was counter to conventional wisdom at the time. We are looking for fresh, new ideas to reinvigorate the experience, add value for the undergraduates, increase alumni participation, and carry on the tradition of excellence at Delta Upsilon with a new commitment. Stay tuned!

## 2008 DISTINGUISHED ALUMNI AWARD

## Honoree: Roger M. Morrison '65

The decision to pledge Delta Upsilon was made easy for Roger. During the recruitment process, he felt at home, was treated as one of the guys, and was thrilled to be associated with men he admired so much.

Roger actually liked pledge duties; cleaning the house was a time of building friendships. His pledge father, **Bob Guenther '64**, of Wichita is still a personal inspiration and a great friend.

Roger served as song leader and was ably assisted by the piano talents of **Bob Shenk '65**. A great believer in the value of traditions, Roger says the singing of the fraternity songs, both at the house and for the sororities, was good fun.

The association with fraternity brothers gave him valuable training in social activities, study habits, and how to have fun. Roger says, "I am eternally grateful for the opportunities afforded me in the DU house and am honored and still in disbelief to receive the Distinguished Alumni Award."

After graduating with a bachelor of arts degree in English, one of the best and most significant events in his life occurred when he married Maureen "Sissy" Maloney, a Kappa from Hutchinson. They have a son and three daughters; their K-State graduate son lives and works in Salina, and their daughters—a K-State graduate and two KU graduates—are married and live in Kansas City. They have nine grandchildren.

Roger began working in the family business after graduation. The businesses of grain storage, farming, salvage, building supplies, and livestock production in the USA and overseas provided an exciting opportunity to work with some terrific associates. He is partially retired, managing personal investments, traveling with Sissy, and enjoying their grandchildren.

In his spare time, Roger serves as a trustee of endowment funds for the Salina Presbyterian Manor, St. John's Military School, and Salina YMCA. He is also the chairman of the advisory board of the McPherson College Auto Restoration Program and the Silver Ghost Association.

Roger's primary interest and hobby has been with automobiles. In 2007, his 1932 Ford Competition Roadster received the Most Significant Hot Rod at the Pebble Beach Concours d'Elegance.

Sissy and Roger have driven Rolls-Royces and Bentleys ranging from 1912 to 1929 and post-WWII sports cars on numerous tours in the United States, as well as New Zealand, the British Isles, Europe, and Canada.

## Honoree: Richard Morrison '70

**Richard Morrison '70** grew up in Salina and graduated with a B.A. degree in economics. He spent the spring semester 1968 in active duty with the Air National Guard, missing a trip to the Orange Bowl with the Jayhawk marching band. His love for music continues with a collection of hand-played drums from his travels and is exemplified by service as president of the Salina Symphony board of directors and on the board that created Salina's Stiefel Theatre for the Performing Arts from the old Fox movie palace.

Richard has been active in the Salina Chamber of Commerce, St. John's Military School board of trustees,

Salina Downtown Lions Club board of directors, the American Society of Civil Engineers standards committee on fabric structures, and is an elder of First Presbyterian Church.

He was introduced to Sallie Brower by pledge brother **Larry Scott '71**. They were married in 1971 and have two children; daughter Mindy, her husband, Jeff Gueldner, and their three daughters live in Olathe, and son Jeffrey lives in Lawrence with his wife, Mary Margaret, two sons, and twin daughters.

Richard has been active in his family's business since graduation, first as president of Thermo-Flex Inc., which manufactured pole vaulting equipment and air supported and tensile membrane buildings. His improved design of landing cushions was granted a U.S. patent. Since that company sold, he has been a business manager of Morrison Ventures, which is mainly involved in agricultural businesses.

Richard's main hobby has been collecting and racing vintage cars. He still has his first car, a 1925 Model T Ford that he drove to junior high school, and a 1967 Shelby GT350 Mustang identical to the one he had while residing at 1025 Emery Rd. He has restored and raced cars, ranging from his 1925 3-litre Bentley, to the MG Liquid Suspension Special, which he rooted for at the 1964 Indianapolis 500. He won his class at the famous Monterey Historics in a 1939 V-12 Lagonda and the 2,000+ mile La Carrera Panamericana across Mexico in a 1958 Mercedes.

# RECIPIENTS

## Honoree: Mark Zuercher '78

A Wichita native, **Mark Zuercher '78** was affectionately known as "Z-man" by his DU brothers. Mark graduated with a degree in business and followed that with an MBA from Southern Methodist University's Cox School of Business in Dallas. Fresh out of graduate school in 1979, Mark joined what is now Union Pacific Railroad, where he worked for the railroad's equipment group in San Francisco for six years.

Faced with the prospect of being relocated to Kansas City, Mark joined a small railcar and locomotive leasing company called Helm Financial Corporation so he could remain in the San Francisco area. Over the next 15 years, Helm Financial grew to become North America's largest privately owned rail freight equipment supplier with a fleet of nearly 1,000 locomotives and 25,000 railcars. In 2000, Mark and several partners purchased the company from its founders and in 2005 sold a majority share of the business to k1 Ventures Ltd. of Singapore. Mark remains active in the company as senior vice president of marketing but plans to take an early retirement in July 2008. Mark resides in Orinda, California, with his wife, Jane. Their son, Benjie, is a sophomore at the University of Washington, and their daughter, Hayley, is a freshman at the University of San Francisco.

Mark has been a steady and generous financial supporter of our Chapter for many years, and he stays in touch with his close fraternity friends through memorable ski trips and frequent junkets to KU sporting events.

# GENEROUS ALUMNI, WE THANK YOU

The Kansas Chapter cannot thank our alumni enough for the generous support you have shown to our Chapter during 2007 and for the lifetime of the Chapter. Due to your charitable contributions, \$23,470 was given to the annual campaign during the fall of 2007. This brings the total given in 2007 to \$37,996.

The Kansas Chapter wishes to thank the following contributors to the annual campaign. Donors' cumulative giving totals are listed by giving level. If an error has been made in recording the amount of your gift(s), we sincerely apologize. Please send corrections to the Kansas Chapter of Delta Upsilon, P.O. Box 1611, Lawrence, KS 66044. Thank you, again, for giving back to the Chapter—it truly does make a difference!
